Who is the roadside assistance provider?

Roadside assistance under your 12 month BMW Motorrad Roadside Assistance membership is provided by AWP Australia Pty Ltd ABN 52 097 227 177 trading as Allianz Global Assistance. Whenever you request Roadside Assistance under your membership, you will be making that request to Allianz Global Assistance, who will provide the services on the terms and conditions set out below. The terms and conditions contain exclusions and limitations.

Eligibility criteria

In order to be eligible for roadside assistance, your vehicle must be a roadworthy well-maintained vehicle. Additionally, your vehicle must be mobile at the time that your membership commences. If your vehicle is not mobile, a service fee is charged when a new roadside assistance membership is established and assistance is required within the initial 48 hours, or if the vehicle has a pre-existing condition requiring assistance. The service fee is \$100.00 (inc. GST) and is charged in addition to your annual membership. The service fee covers the initial callout of the roadside assistance provider only. You will not be able to access any other entitlements under your membership for pre-existing conditions and/or for any incident that occurs within the initial 48 hours from purchasing your membership. Note, the standard limits set out in these terms and conditions (such as for towing) also apply.

Please stay with your motorcycle

Once a roadside service provider has been called, it is important that you remain with your motorcycle if it is safe to do so.

Should we arrive at the scene of the breakdown and the motorcycle is unattended, we will be unable to carry out any work and payment may be required for any subsequent callouts to assist with the same incident. If you require assistance and have to leave your motorcycle for safety reasons, please advise the customer service assistant at the time of the initial call and we will liaise with you for the purposes of being able to provide assistance.

Tele-Assist

Once our customer service assistant receives your call, we will provide general advice about the operation of your motorcycle. If your motorcycle is immobilised, we will provide an over the phone diagnosis (where possible) to get your motorcycle mobilised.

Roadside Assistance

If our customer service assistant is unable to get your motorcycle mobilised over the telephone, we will dispatch a service provider to assist in the following ways:

Flat batteries

Flat batteries can occur. If you find yourself immobilised with a battery problem, we will attend to your motorcycle, test the battery for performance, jump start the flat battery or transport the motorcycle to the nearest BMW dealer if required.

Emergency fuel

If your motorcycle runs out of fuel, we will provide sufficient fuel (to a maximum of 10 litres) for you to travel to the nearest available petrol station or transport the motorcycle to the nearest refuelling facility.

Flat tyres

If you find yourself with a flat tyre, we will tow the motorcycle to an approved tyre outlet or nearest BMW dealer, whichever is the nearest.

Lost keys

If you lose your keys, we will provide all reasonable assistance (subject to proof of ownership shown) to:

- Locate and deliver a spare key, or
- Arrange for the rider to retrieve the spare key if this is more practical.

If an emergency situation arises and it is necessary to gain access to the motorcycle's storage compartment, we will attempt to gain access only with your consent.

In all other situations where the key is not available, we will arrange to transport the motorcycle to an authorised repairer. A limit of \$150.00 (inc. GST) applies to this benefit.

Towing/transportation

If your motorcycle has had a breakdown and cannot be mobilised at the breakdown location and/or requires electronic diagnosis, we will deliver your motorcycle to the nearest BMW dealer, or your preferred repairer within 30km of the nearest BMW dealer. If the breakdown has occurred after business hours, we will arrange for your motorcycle to be stored at a secure facility and delivered to the nearest authorised repairer the morning of the next day. All costs of towing above these limits, including subsequent tows, are your responsibility.

Accident

Following an accident, we will:

- Deliver your motorcycle to an authorised BMW dealer, BMW certified body shop, or a third-party body shop within 10km from the accident location in Sydney, Melbourne, Brisbane, Perth and Adelaide. All accident towing costs outside those areas are your responsibility. We will also provide advice on accident procedures. If required, we will coordinate alternative transportation at your cost to enable you to continue your journey*
- Provide a rental vehicle for a total of 48 hours during the week and 72 hours during the weekend, or a Taxi/Ride-Hail ride.

Please note that all additional costs for services like flights, accommodation and motorcycle redelivery and/or coordination are your responsibility. Accident towing will be carried out subject to applicable laws.

**Note that these costs, subject to the payment of any excess, may be recoverable from your insurance company under an appropriate insurance policy*

Taxi/Ride-Hail

If your motorcycle cannot be mobilised due to a breakdown within two (2) hours and must be transported to the nearest authorised repairer, we will provide multiple Taxi/Ride-Hail rides within 24 hours to a maximum value of \$200.00 (inc. GST).

Emergency accommodation

If your motorcycle is immobilised by a breakdown and cannot be repaired within two (2) hours, we will provide four (4) nights of accommodation up to the value of \$200.00 (inc. GST) (room cost only) per night should you decide to remain with your motorcycle while it is repaired locally, or if alternative transport is unavailable.

Car rental

If your motorcycle cannot be mobilised due to a breakdown within two (2) hours, we will provide a rental vehicle for up to seven (7). You will be responsible for all fuel costs, toll charges, insurance excess reduction, excess kilometre charges, any traffic infringements, relocation fees, any damage and any excess or insurance waivers on the rental vehicle. Rental vehicle benefits cease on the day the motorcycle has been repaired. This benefit does not apply if you have used the Emergency accommodation or Alternative transportation benefit.

Alternative transportation

Should hotel accommodation or a rental vehicle be unavailable, we will transport you to your home or to your intended destination to a maximum value of up to \$300.00 (inc. GST).

Motorcycle relocation

Motorcycle relocation will be provided where your motorcycle has a breakdown and cannot be repaired within 24 hours. If you have left the motorcycle to continue your journey, motorcycle relocation will be provided to deliver the motorcycle, once repaired, to your home or intended destination (whichever is the nearest). Alternatively, return transport will be provided to enable the rider to pick up the repaired motorcycle.
